

SPATCHCOCK ROTISSERIE • GAS

Brasilia

FFS1100-4G

Dedicated to the unique spatchcock cooking method, the Brasilia roasts whole butterflied chickens, vegetables, fruits, fish, other meats & more – 27 chickens in 30 minutes, in a compact, shallow-depth footprint.

DESIGN & PERFORMANCE

The Brasilia rotisserie line is dedicated to the **unique spatchcock style cooking method**, roasting whole butterflied chickens, vegetables, fruits, fish, other meats & more. Spatchcock chickens cook from the inside out, which speeds up cooking.

Spatchcock roasting is perfect for **doubling your production volume** and **decreasing your energy consumption by half** – a quick return on investment, and an ideal fit for restaurants, food trucks and trailers.

FEATURES

- All stainless-steel unit
- Available as **Standard** (front loading only) or **Pass-Through** (front & rear loading)
- 4 independent infrared gas burners with interchangeable ceramic bricks
- Thermal-efficient K-glass doors
- Separate gas and electrical compartments
- Automatic burner ignition & interior halogen lighting
